

**ROBERT & ELEANOR
FRANKE**
CHARITABLE FOUNDATION, INC.

6th Annual "Care & Share" Expo

Through Caring and Sharing,
You Can Make a Difference!

Saturday, December 3, 2016
10 a.m. – 2 p.m.
Downtown La Crosse Public Library

We are teaming up with the Library to sponsor an "Alternative Gift Fair" by offering donation gift cards. Make a same day donation to any of our participating Non-Profit Organization as a gift for those on your Holiday list, or just because.

**The Franke Foundation
will be matching up to
\$1,000**

in donations made today to EACH of the
participating non-profit organizations.

Focus: Promote and Educate the Community on Early
Childhood Literacy.

The Franke Foundation works to encourage non-profit organizations to join forces, communicate, learn about each other, share information and work together to create the greatest organizations possible to provide services for our La Crosse County citizens in need. It is also our mission to educate the public and make them aware of local non-profit organizations so they can get help or learn how to help.

The public is welcomed and encouraged to attend. Prospective volunteers, college students and church groups should attend to learn more about what they can do to help in their community and promote early childhood education. We will be giving out children's books, bookbags, vision screening and more! Fun for all ages!

Participating Organizations Include:
